

RESOLUTION NO. A-_____

1 WHEREAS, a reference service manual has been requested by plumbing and
2 utility contractors to assist and guide contractors in how to connect to the Lincoln Water
3 System; and

4 WHEREAS, the Lincoln Water System has compiled a manual including the
5 following practices: a list of approved materials and devices; procedures for making
6 connections to water mains; procedures for installing meters, procedures for installing and
7 testing backflow assemblies and procedures for relocation of fire hydrants; and

8 WHEREAS, the Lincoln Water System intends that the Service Manual be
9 reviewed and revised as necessary to reflect current practices, materials, and methods, or to
10 clarify policies and procedures for persons making connections to the water system.

11 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of
12 Lincoln, Nebraska:

13 That the Lincoln Water System Service Manual, identified as Attachment A and
14 made a part hereof as if set out fully describing specific requirements, methods, materials,
15 devices, policies and procedures for connecting to the Lincoln Water System, is hereby
16 approved and adopted as the Lincoln Water System manual of practice to assist plumbing and
17 utility contractors with an operative date of January 1, 2004.
